10. **ADJOURNMENT**

CORPORATION OF THE TOWN OF LAURENTIAN HILLS

JANUARY 2010 FIRE REPORT

The Fire Department had their regular training sessions and meetings in January. There were three responses this month; a vehicle fire in the early morning of January 25 during the freezing rain. The incident was on the Forestry Road which caused more problems than the fire. Three fire vehicles ended up stuck until the roads department showed up with more sand and a helping hand. Without the excellent co-operation of the road superintendant, we would have been there for who knows how long. The second response was a carbon monoxide alarm and the third was a motor vehicle auto extrication.

Equipment:

When the pickup was in for new tires it was noticed the ball joints needed changing which was done the following week.

Neil Burton has resigned from the department because of his inability to give the time required to stay current.

Kevin Waito
Fire Chief
