10. **ADJOURNMENT**

CORPORATION OF THE TOWN OF LAURENTIAN HILLS

MAY 2010 FIRE REPORT

The Fire Department had their regular training sessions and meetings in May. There were five responses this month; two bush fires, two motor vehicle accidents and one resident burning wood pallets. The resident burning the pallets was informed of the no burning By-Law, and they extinguished the fire.

Equipment:

We have found enough parts to keep our breathing apparatus running for at least two years.

The mechanic that serviced our fire trucks and performed the safety checks can no longer offer the service. This means if we have a break down or require a safety, the trucks will have to be taken to Pembroke.

Events:

We have had the home fire sprinkler trailer from the Fire College for a month and held numerous demonstrations not only in Laurentian Hills, but other areas. The unit was not received as well as we first thought, this I believe was in part to poor planning and timing on our part. If we get the opportunity to acquire this unit in the future, we will advertise differently and centre our demonstration around something else such as Summer Fest.

AECL is hosting live fire training in Kingston again this year and invited us at their expense. We are sending seven fire fighters.

Kevin Waito
Fire Chief
