10. **ADJOURNMENT**

CORPORATION OF THE TOWN OF LAURENTIAN HILLS

JUNE 2010 FIRE REPORT

The Fire Department had their regular training sessions and meetings in June there were no responses this month.

Equipment:

As a follow up to last months report, I contacted Valley Spring about coming to our halls to perform our yearly truck inspections and they were agreeable.

Our breathing apparatus were all bench tested with repairs completed to the ones requiring them. Two of the face pieces were sent out for repair because the technician didn't have the proper parts with him.

The garage doors at both fire halls had there yearly maintenance completed with no other work having to be done to them.

We had a problem with the back wheels on the pickup coming loose and had to replace one. If the problem is a reoccurring one, we will change the wheels from aluminum to steel.

Events:

The fire fighters took one of the trucks to the Canada Day festivities at the Chalk River Legion to give truck rides.

Kevin Waito
Fire Chief
